

NEW TOWN TELECOM INFRASTRUCTURE DEVELOPMENT CO. LTD.

(A Govt. of West Bengal Company – Subsidiary of WBHIDCO Ltd.)

Memo No. NTTIDCO/Chairman/071020

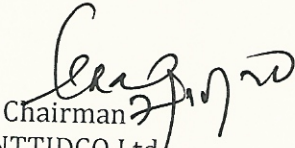

Date: 7th October,2020

Notice

Reports / complaints are being received from the citizens of various parts of New Town, specially from Action Area-IIB that Internet Broadband Connection facilities are not available at their residential areas. During this pandemic COVID-19 situation, online classes for students, work from home for professionals and service holders and all other activities like entertainment, online shopping, banking etc are totally dependent on high speed reliable internet broadband connection.

The authority of NTTIDCO and WBHIDCO (parent body of NTTIDCO) decided to waive off the one time fees (upfront fees) of duct hiring charges for new connection to encourage the Telecom Service Providers and Internet Service Providers for spreading the Broadband Connection facilities in Action Area-IIB and its adjoining areas up to 31st December, 2020.

All other terms & conditions are remaining same.
