**HIDCO BHABAN, Premises No.35-1111, Biswa Bangla Sarani, Near 3<sup>rd</sup> Rotary, New Town, Kolkata-700156.**

**NOTICE INVITING E-TENDER**

Tender No. 2554/HIDCO-17099/2/2021-ITSEC-WBHIDCO Dated 23-09-2024

WBHIDCO LIMITED (hereinafter referred to as the "WBHIDCO"), invites online tender from well-established firms / agencies having relevant experience, in two bids format for providing the Internet Leased Line Connectivity for 200 Mbps (1:1 uncompressed and unshared with last mile on fibre) using OFC technology at Eco Island, Eco Park, New Town under WBHIDCO.

The contract will be of a period of initially Three years and will be further extended by WBHIDCO, based on the requirement on yearly basis, **otherwise it will stand cancel on expiry of the contract or this agreement may be terminated upon 30 days written notice without cause or penalty by either side (If required).**

Sl. 1	Tender No. & date	2554/HIDCO-17099/2/2021-ITSEC-WBHIDCO Dated 23-09-2024
Sl. 2	Brief description of material	Providing the Internet Leased Line Connectivity for 200 Mbps (1:1 uncompressed and unshared with last mile on fiber) with all equipment including router at at Eco Island, Eco Park, New Town under WBHIDCO.
Sl. 3	Earnest Money Deposit	Rs.35,000/- (Rupees Thirty-Five only) to be deposited online.
Sl. 4	Tender Inviting Authority	System Manager (IT), WBHIDCO
Sl. 5	Contact Person	Mr. Subhankar Dutta, SM(IT) / Mr. Sukalpa Mallick, Network Manager West Bengal Housing Infrastructure Development Corporation Limited (WBHIDCO Limited.) HIDCO BHAWAN, Premises No.35-1111, Biswa Bangla Sarani, 7 <sup>th</sup> Floor, Action Area-IA, New Town, Kolkata – 700 156. e-mail: <a href="mailto:subhankar.dutta@wbhidco.in">subhankar.dutta@wbhidco.in</a> , <a href="mailto:sukalpa.mallick@wbhidco.in">sukalpa.mallick@wbhidco.in</a>

Intending bidder may download the tender documents from the website <https://wbtenders.gov.in/> directly with the help of Digital Signature Certificate. Cost of Earnest Money Deposit (EMD) may be remitted through online process as described below: -

Necessary Earnest Money amount will be deposited by the tenderer electronically online through his/her net-banking enabled bank account, maintained at any bank or offline through any bank by generating NEFT/RTGS challan from the e-tender portal.

Intending tenderer will get the beneficiary details from e-tender portal with the help of Digital Signature Certificate and may transfer the EMD from their respective bank as per Beneficiary Name, Account Number, Amount, Beneficiary Bank Name (ICICI Bank Limited), IFSC Code and e-procurement Ref. No.

Tenderers are also advised to submit EMD of their bid at least 3 (three) working days before the bid submission closing date (23-10-2024 upto 17:00 Hrs) as it requires time for processing of payment of EMD.

Both Techno Commercial Bid and Financial Bid are to be submitted concurrently duly digitally signed on the website <https://wbtenders.gov.in/>

The Financial Bid of the prospective Bidder will be considered only if the Techno Commercial Bid of the bidder is found qualified by the Tender Committee. The decision of the 'Tender Committee' will be final and absolute in this respect. The list of Qualified Bidders will be displayed in the website.

CHAPTER- 1  
GUIDANCE FOR E-TENDERING

Instructions / Guidelines for electronic submission of the tenders have been annexed for assisting the Bidders to participate in e-Tendering.

• **Registration of Bidder:**

Any Bidder willing to take part in the process of e-Tendering will have to be enrolled & registered with the Government e-Procurement System through logging on to <https://wbtenders.gov.in>. The Bidder is to click on the link for e-Tendering site as given on the web portal.

• **Digital Signature Certificate (DSC):**

Each Bidder is required to obtain a Class-II or Class-III Digital Signature Certificate (DSC) for submission of tenders from the approved service provider of the National Informatics Centre (NIC) on payment of requisite amount. Details are available at the Web Site stated above. DSC is given as a USB e-Token.

• **The Bidder can search & download N.I.T. & BOQ electronically from computer once he logs on to the website mentioned above using the Digital Signature Certificate. This is the only mode of collection of Tender Documents.**

• **Participation in more than one work:**

A prospective bidder shall be allowed to participate in the job either in the capacity of individual or as a partner of a firm. If, found to be applied severally in a single job, all the applications will be rejected.

• **Submission of Tenders:**

Tenders are to be submitted through online to the website stated above in two folders at a time, one in Techno Commercial Proposal & the other is Financial Proposal before the prescribed date & time using the Digital Signature Certificate (DSC). The documents are to be uploaded virus scanned copy duly Digitally Signed. The documents will get encrypted (transformed into non readable formats).

The proposal should contain scanned copies of the following in two covers (folders).

**A. TechnoCommercialCover:**

**Technical Document1**

1. Earnest Money Deposit (EMD) document
2. Bid Form as per format (Annexure-D)

**Technical Document2**

1. Copy of N I T duly stamped & signed
2. Declaration of Eligibility Criteria, Annexure- E

**Technical Compliance**

1. Technical Specification with Compliance Statement

**B. FinancialCover:**

BOQ will be downloaded and same will be uploaded with quoted rates. While uploading BOQ file name shall remain unchanged. Absence of this document shall lead to summary rejection of the bid. Price should be quoted including all Taxes and Duties.

It is a turnkey project. Any other equipment/ module/ accessories required to complete the project for achieving the above-mentioned objective, will have to be provided by the bidder and for that no additional payment will be made.

**NON-STATUTORY COVER (MYSPACE) CONTAIN FOLLOWING DOCUMENT:**

(In each folder, scanned copy will be uploaded in single file having multiple pages)

## CHAPTER- 2

### OBJECTIVE OF THE PROJECT

#### **OBJECTIVE**

WBHIDCO LIMITED wants to establish second Internet Leased Line Connectivity of 200 Mbps(1:1 uncompressed and unshared with last mile on fibre) using OFC technology at Eco Island, Eco Park, New Town under WBHIDCO.

## CHAPTER 3

### SCOPE OF WORK, ELIGIBILITY AND TECHNICAL SPECIFICATION

#### **SCOPE OF WORK**

1. Supply and execution of Providing the Internet Leased Line Connectivity for 200 Mbps (1:1 uncompressed and unshared with last mile on fiber) with all equipment including router at at Eco Island, Eco Park, New Town under WBHIDCO, It includes supply of suitable STM, Router, AC-DC converter and power supply. All accessories to be provided by the bidder.
2. ELIGIBILITY CRITERIA:

The Agencies who will fulfil the following requirements will be eligible to apply:

Sl. No.	Eligibility Criteria	Supporting Documents
1.	Bidder must have a valid Class-A ISP license from Department of Telecommunications, Government of India to provide Internet service in India with presence in major state capitals and other major cities Or Bidder must have a Unified Access License for all Telecom Circles in India. The license should be valid for the entire contract period. Renewal/ extension of the license is acceptable.	DOT License has to be submitted.
2.	The Bidder should have own access network.	Unified access Service provider License from DOT is to be submitted.
3.	The Bidder should have its NLD backbone over owned/ IRU based Fibre cable and should have more than 15 x STM-64 / 10 Gig capacity on MPLS core. The core should be on DWDM technology.	Self-declaration to be given and an audit/ Visit may be performed by customer.
4.	The bidder should own and operate a complete NOC at its own premises working 24*7*365 in 3 shifts. The NOC should have been in existence at least for the past 3 years as on the date of bidding. The NOC should also possess ISO/ITIL/TL compliant certification. NOC should have well defined Business Continuity Plan for disaster recovery.	Self-certificate by authorized signatory of the company to be submitted
5.	The bidder should have: - TL 9000 Certificate for network/ or ISO 9001 / or equivalent, - ISO 27001/or equivalent.	Valid Certificates to be submitted

6.	The Service Provider should have at least 100 Layer-3 POP's across India connected on fully owned / Indefeasible right of use (IRU) based OFC of bidder. The Bidder should have POP level redundancy in major locations (at least in Metros) to ensure high availability."	Self-declaration to be submitted
7.	Bidder should have more than 1 Lac Kilometer rout fiber laid in India. Internet backbone should be separate from MPLS backbone.	Self-declaration and an audit/ Visit may be performed by customer
8.	Bidder must have multiple International Internet gateways and the same must be operational for at least three years in two different parts of India.	Valid Certificates to be submitted
9.	Bidder should have at least two minimum 200Mbps/More leased internet connection Order in last 3 years.	Copy of purchase order and satisfactory completion certificate to be submitted.
10.	The ISP should not be blacklisted / debarred / negative list by any Statutory or public sector bank or Regulatory Authorities during last 3 years. (Self-declaration on bidders letterhead signed by an Authorised Signatory to be submitted)	Self-declaration letter to be attached
11.	Bidder should have both Trans-Atlantic and Trans-Pacific routes to the Tier-1 Internet providers in the globe. In the event of undersea fibre cuts etc. the bidder should have capacities in multiple sub - marine cables to provide an uninterrupted service.	Self-declaration letter to be attached.
12.	Annual turn-over of the bidder in each of the last 3 financial Years i.e. 2020-21,2021-22,2022-23 should be minimum Rs. 500 Crores.	Copies of audited financial statements should be submitted
13.	Bidder should have its own fiber based national backbone network of more than 250,000 kms.	Self-declaration letter to be attached.

### 3. Minimum Technical Specification

Sl. No.	Technical specification	Compliance
1	The service provider ISP network should be backed by availability of support service/ service personnel in New Town, Kolkata to attend faults, if required.	
2	The Internet connectivity leased line should have fully dedicated (1:1), unshared & High-Quality minimum of 200 Mbps symmetric bandwidth without any compression factor through Optical Fibre cable.	

3	The ISP should have fully resilient and self-healing network architecture, on fibre medium, from the international gateway in India up to the international Points of Presence	
4	The ISP should have Network Operation Centre (NOC) for trouble shooting around the clock	
5	ISP Gateway will be terminated at internet Router Port for 200 Mbps Bandwidth and 8 nos. Public IP addresses of IPv4 pool.	
6	The ISP should furnish a detailed network/ schematics diagram of total solution proposed showing connectivity from ISPs end gateway Terminal Point to required locations at at Eco Island, Eco Park, New Town under WBHIDCO	
7	The connectivity from the POPs of service providers to Eco Island shall be through Optical Fibre Media	
8	All the equipment supplied by the ISP should be capable of handling higher band width (up to 200 MbpsX 4) in case up gradation is required in the later stage.	
9	Any Software and Hardware required establishing the purchased bandwidth will be provided by ISP to make leased line fully functional.	
10	The ISP should submit technical literature explaining the proposed implementation diagram.	
11	The ISP should have Direct \ toll free number to register complaints round the clock (24x7), Maintenance support service (24 hours and 7 days a week)	
12	All the POPs from where the ILL bandwidth is provided at Eco Island should have <b>redundancy of link</b> , equipment, power, backhaul connectivity etc. Service provider needs to confirm it in writing.	
13	The ILL links should be available in full duplex mode with fully managed Link which must be demonstrated to the authority of WBHIDCO.	
14	The service provider ISP should have own Network Operation Centre with 24x7 supports to take care of the ILL link management requirements. The service provider (ISP) should furnish details of Toll Free number reachable from BSNL/MTNL/ cell phone/ Landline phones for logging complaints	
15	Service provider (ISP) has to provide a self-care portal for the performance parameters like Uptime Availability, Bandwidth utilization & packet loss of the link to WBHIDCO.	

16	MRTG graph for traffic analysis and link monitoring:- Daily Graph (5 Minute Average), Weekly Graph (30 Minute Average), Monthly Graph (2 Hour Average),Yearly Graph (1 Day Average). Bidder need to provide above mentioned MRTG graph and web portal for different MIS like, usage of link, packet loss etc.	
17	<p>WBHIDCO will consider the successful provision of the link subject to satisfactory Acceptance Test (trial run of continuous one month). The methodology for the test will be at the discretion of the WBHIDCO. However, the same will be shared with the ISP.</p> <p>Following tests may be adopted (Latency is being calculated POP-POP) :</p> <ul style="list-style-type: none"> <li>a. Average latency should not be more than 100 ms up to ISPs 1st Tier 1 peering point.</li> <li>b. Domestic Latency &lt; 80 Millisecond during peak traffic hours</li> <li>c. International Latency &lt; 350 Millisecond during peak traffic hours in case of destination being USA West</li> <li>d. Packet Loss &lt; 1%Facilities of testing above parameters will be provided by the ISP.</li> </ul>	

**4. Note:**

- I. The dedicated bandwidth (200 Mbps) (1:1 uncompressed and unshared) of Internet leased line connectivity at all the time (24X7X365) at Eco Island, Eco Park, New Town under WBHIDCO.
- II. Ensure Packet Losses: Less than 1 % (Average over 1000 ping) at any given point of time.
- III. Ensure Latency: Less than 100ms from The at Eco Island, Eco Park to ISP's tier 1 peering point. Latency will be randomly checked on daily basis. In case of non-adherence latency limit, the link will be considered as down with effect from time of detection till the time is restored
- IV. Ensure Network Availability (uptime): Minimum 99.5 % uptime (monthly).
- V. Ensure Border Gateway Protocol (BGP) Implementation in the Internet Link.
- VI. Need various reports for performance, monitoring / usage to be submitted by the ISP on weekly or monthly basis or as per our day to day requirement.
- VII. Downtime Calculation: Downtime shall be calculated as (Total Time–Down Time) X100/Total Time.
- VIII. Ensure the response time for attending the faults will be 2 to 4 Hours after they are reported to the ISP.
- IX. Ensure the ISP will rectify the faults within 12 hours failing which; the vendor will arrange temporary replacements OR what further action will be taken.

## 5. OTHERS

5.1 The tenderer should not have been debarred or blacklisted by any Central / State Government or any State Government Department(s) and the tenderer should not have any litigation in any of the Court(s). An affidavit to that effect on Non-Judicial Stamp paper of Rs.100/- duly notarised shall be enclosed with the technical bid. The proforma of the affidavit is attached with the tender as Annexure – A.

Note: If the tenderer is black listed by any Central/ State Government or any State Government department(s) or has any ongoing litigation leading to black listing, then the company is not eligible to participate in the tender.

5.2 Bidder should submit Earnest Money Deposit (EMD) of Rs.35,000/- (Rupees Thirty-Five only) electronically online through his/her net-banking enabled bank account, maintained at any bank or offline through any bank by generating NEFT/RTGS challan from the e-tender portal.

5.3 The tenderer shall submit the one copy of the tender document and addenda thereto, if any, with each page of this document signed and stamped to as a proof to confirm the acceptance of entire terms & conditions of the tender by the tenderer.

5.4 The tenderer should have at least two 200 Mbps/More orders within the last three years in India. Purchase Order copy should be enclosed along with performance certificate from user.

5.5 The bidder shall not have been blacklisted by any State/Central Government or PSU Organization or bilateral/multilateral funding agencies for breach of ethical conduct or fraudulent practices as on date of submission of the proposal (as per DIT guidance note issued on 26-Dec-2011). Declaration on bidder's letter head to be submitted.

The bid of any tenderer who has not complied with one or more of the conditions of eligibility criteria and / or fail to submit the required documents as required / or mentioned in tender document are liable to be summarily rejected.

WBHIDCO LIMITED reserves the right to reject any or all tenders, wholly or partly or close the tender at any stage prior to the award of contract without assigning any reason whatsoever.

CHAPTER- 4

DATE AND TIME SCHEDULE

Tender No. 2554/HIDCO-17099/2/2021-IT SEC-WBHIDCO Dated 23-09-2024

Sl. No.	Partiulars	Date & Time
1	Publishing date of uploading of N.I.T. & other Documents (online)	23-09-2024
2	Documents download start date (On line)	23-09-2024 from 18:00 Hrs
3	Prebid meeting (No Meeting)	All prospective bidders are requested to send their queries in email <a href="mailto:network.manager@wbhidco.in">network.manager@wbhidco.in</a> by 25-09-2024
4	Bid Submission start date & time (On line)	30.09.2024 14:00 Hrs
5	<b>Bid Submission closing date &amp; time (On line)</b>	<b>23-10-2024 upto 17:00 Hrs</b>
6	Bid opening date & time for Technical Proposals (Online)	25-10-2024 at 17:00 hrs or any convenient date thereafter.
7	Date of uploading the final list of Technically Qualified Bidder (online) after disposal of appeals, if any	To be Notified
8	Date for opening of Financial Bid (Online)	To be Notified

## CHAPTER-5

### INSTRUCTIONSTO BIDDER

#### **1. LOCAL CONDITIONS**

It shall be the responsibility on each tenderer to fully inform / acquaint / familiarized itself with local conditions and factors, which may have any effect on the execution of services to be rendered under the contract. All tenderer(s) intending to bid shall visit and make themselves thoroughly acquainted with the local site conditions.

WBHIDCO shall presume that the tenderer has understood and agreed that all the relevant factors have been kept in view while submitting the bid. No financial adjustment arising thereof shall be permitted by WBHIDCO, on the basis of any non-clarity of information about local conditions being pleaded by the tenderer. Further, no claim for financial adjustment being made by the contract awarded on this tender document will be entertained by WBHIDCO.

#### **2. VALIDITY**

Quoted rates must be valid for a period of 180 days from the stipulated due date of submission of bid. The overall offer for the assignment and tenderer(s) quoted price shall remain unchanged during the period of validity. In case the tenderer(s) withdraws, modifies or changes his offer during the bid validity period, the earnest money deposited by him shall be forfeited without assigning any reason thereof. The tenderer(s) should be ready to extend the validity, if required.

#### **3. INSTALLATION & COMMISSIONING**

Project will be completed within 6 weeks from the date of issue of the Letter of Intent (LOA) / Work order. All the aspects of safe delivery, installation, commissioning and uplink of the connectivity shall be the exclusive responsibility of the Service Provider.

The penalty OR Liquidated Damages may be settled by way of Credit note.

#### **4. Security Deposit**

- Security Deposit should be 10% of the Order Value.
- The Earnest Money deposited by the successful contractor with his tender will be retained by WBHIDCO as part of Security for the due and faithful fulfilment of the contract by the contractor. The balance to make up the Security Deposit, may be submitted in Pay order /Demand draft in favour of WBHIDCO Ltd, payable at Kolkata.

#### **5. PAYMENT TERMS & CONDITIONS:**

- Annual Recurring (bandwidth) charges shall be payable on quarterly basis after successful completion of each quarter.
- Onetime installation & commissioning charges shall be paid after one month from date of successful commissioning of the uplink connectivity, on successful submission of uplink connectivity test report.

## **6. CONTRACT PERIOD:**

The contract period for providing the Internet Leased Line Connectivity to the project would be initially for three years and may be further extended, based on the satisfactory performance and requirement of the Project on yearly basis, otherwise it will stand cancelled on expiry of contract or this agreement may be terminated upon 30 days written notice without cause or penalty by either side (If required).

The agreed price would be applicable throughout the contract period. No hike in price would be admissible; however, if the prices are reduced on any account, benefit of the same should be passed on to WBHIDCO LIMITED.

**An Agreement will be required to be executed in duplicate on Non-judicial Stamp paper valued at Rs. 100.00 (Rupees One Hundred) only within 30 days form the issue of the work order. No payment will be done without the agreement.**

## **7. TENDER PREPARATION COST:**

The tenderer shall solely bear all costs associated with the preparation and submission of the bid, including the site visit etc. WBHIDCO shall in no case be responsible or liable for such costs, regardless of the conduct or outcome of the tender process. In no case such costs shall be reimbursed by WBHIDCO

## **8. Financial Proposal**

The financial proposal should contain the following documents in one cover (folder) i.e., Bill of Quantities (BOQ). The contractor is to quote the rate (**exclusive of all taxes**) online through computer in the space marked for quoting rate in the BOQ.

Only downloaded copies of the above-mentioned documents are to be uploaded virus scanned & Digitally Signed by the contractor.

GST or any other taxes and Education Cess will be extra as applicable.

Financial capacity of a bidder will be judged on the basis of information furnished in CHAPTER - 2.

### **Penalty for suppression / distortion of facts:**

If any tenderer fails to produce the original hard copies of the documents like Completion Certificates and any other documents on demand of the Tender Evaluation Committee within a specified time frame or if any deviation is detected in the hard copies from the uploaded soft copies, it may be treated as submission of false documents by the tenderer and action may be referred to the appropriate authority for prosecution as per relevant IT Act.

### **8.1 Rejection of Bid:**

WBHIDCO reserves the right to accept or reject any Bid and to cancel the Bidding processes and reject all Bids at any time prior to the award of Contract without thereby incurring any liability to the affected Bidder or Bidders or any obligation to inform the affected Bidder or Bidders of the ground for Employer's action.

### **8.2 Quantity to be ordered**

The purchaser reserves the right to increase and /or decrease the order quantity by a quantity not exceeding 20% of the ordered quantity on the same price and terms and conditions during the currency of the contract, with suitable delivery schedule for the enhanced quantity.

## 9. TENDER EVALUATION:

WBHIDCO will evaluate all the proposals to determine whether these are complete in all respects as specified in the tender document. Evaluation of the proposals shall be done in two stages as:

### (a) Stage – I (Technical Evaluation):

- (i) WBHIDCO shall evaluate the technical bid(s) to determine whether these are qualifying the essential eligibility criteria, whether the tenderer has submitted the EMD, whether any computational errors have been made, whether all the documents have been properly signed & stamped, whether all the documents as mentioned / or required to be submitted with technical bid are submitted and whether bids are completed and generally in order.
- (ii) After evaluation of technical bid(s), a list of the qualifying tenderer(s) shall be made. Short-listed tenderer(s) shall be informed of the date, time and place of opening of financial bid(s) and they may attend or depute their authorized representative/s to attend the opening of financial bid(s) on the scheduled date & time. The representative(s) should have a letter of authority to attend the price bid(s) opening event.

### (b) Stage – II (Financial Evaluation):

- (i) The financial bid(s) shall be evaluated on the basis of the total cost quoted by the tenderer.

## 10. AWARD OF CONTRACT:

After due evaluation of the financial bid(s), WBHIDCO will award the contract to the lowest evaluated responsive tenderer (hereinafter referred to as the "Service Provider").

## 11. COMMENCEMENT OF CONTRACT:

The Service Provider shall commence the work from the date of receipt of acceptance of the Letter of Acceptance (LOA) / work order which shall be accepted by the Service Provider within not more than 10 days from the receipt of the work order or 15 days from the date of said order whichever is earlier.

## 12. SERVICE PROVIDER OBLIGATIONS

1. The Service Provider shall be responsible for providing the 1 Gbps (1:1 uncompressed and unshared) leased line Internet connectivity at WBHIDCO Bhawan (address is already been furnished elsewhere in the tender), at all the time throughout the contract period.
2. The Service Provider shall be responsible for WBHIDCO's, commissioning and configuring of hardware and uplink of connectivity.
3. Liaisoning (if required) with other firm(s) for obtaining point to point connectivity between ISP node and WBHIDCO Bhawan, shall be the responsibility of the Service Provider.
4. The Service Provider would ensure that the local loop provisioning does not violate any regulations as laid by Government of India / TRAI in respect of such links / networks. Service Provider shall be responsible for making all the payments towards the local loop charges / rentals / WPC charges etc.
5. The Service Provider will do preventive maintenance once a quarter for upkeep of the systems running. The schedule will have to be adhered to strictly by him.
6. The ISP should have a valid **Category A** ISP license from Govt. of India (Attach copy of license).
7. The link will be terminated at control room through OFC. Router will be provided by the agency. From STM to Router it will be terminated through OFC patch cord/CAT6 – RJ45 connector. Bidder has to provide all cable, connectors & and all accessories.

**12 a. One point of Single phase 230 V A.C. UPS power will be provided at the Control Room. Service provider has to arrange all other necessary power equipment for smooth running of the offered system.**

**13. SERVICE LEVEL GUARANTEE**

- A. The Service Provider shall provide the 200 Mbps(1:1 uncompressed and unshared) Internet leased line connectivity at all the time (24X7X365) at Eco Island, Eco Park, New Town under WBHIDCO.
- B. 200 Mbps(1:1) Internet leased line should be terminated in OFC port/ RJ45 port and will be connected with Router. The agency to provide Internet Router Port at ISP Gateway for required Bandwidth and minimum subnet of 8 Public IP addresses including Reverse Lookups configured at these IP's. Network should be IP4 and IP6 compatible.
- C. Packet Losses: Less than 1 % (Average over 1000 ping) at any given point of time to any part of Country / ISP Internet gateway.
- D. Latency: Less than 100ms from WBHIDCO LIMITED to ISP's tier 1 peering point. Latency will be randomly checked on daily basis. In case of non-adherence latency limit, the link will be considered as down with effect from time of detection till the time is restored.
- E. Network Availability (uptime): Minimum 99.5 % uptime (monthly)
- F. National Backbone should be available on the same ISP.
- G. Reports for performance, monitoring / usage to be submitted by the ISP on weekly or monthly basis or as per requirement of the user.
- H. Downtime Calculation: Downtime shall be calculated as (Total Time – Down Time) X 100 /Total Time. Deduction in payment will be made for downtime in the quarterly bills raised by the ISP.
- I. The response time for attending the faults will be 1 hour after they are reported to the ISP. The ISP will rectify the faults within 12 hours failing which; the vendor will arrange temporary replacements. The services shall be provided 24 X 7 days in a week.
- J. Downtime penalty in % of monthly payment:

S. No.	Downtime	Penalty in % on monthly bill
1.	> = 99.5%	0
2.	>= 99 to < 99.50	5
3.	>= 98.50 to < 99	10
4.	>= 98 to < 98.50	15
5.	> =95 to < 98	20
6.	>= 90 to < 95	30
7.	>=85 to <90	40
8.	>=80 to <85	50
9.	<80%	100
10	Continuous 48 Hrs.	50
11	Continuous 72 Hrs.	100

Downtime due to the following situations will not be considered for the purpose of penalty:

- a) Link down due to power failure / or any situation which are beyond the control of service provider.
- b) Due to schedule maintenance by the Service Provider, with prior approval of User.
- c) Mean Time to Repair (MTTR), Packet loss and Link failover will be calculated from Network Management System (NMS) installed at WBHIDCO's side or through ISP portal.

**14. ARBITRATION:**

In case of any dispute or difference arising out of or in connection with the tender conditions / job order and Contract, WBHIDCO and the Service Provider will address the dispute / difference for a mutual resolution and failing which, the matter shall be referred for arbitration to a sole Arbitrator to be appointed by WBHIDCO LIMITED.

The Arbitration shall be held in accordance with the provisions of the Arbitration and Conciliation Act, 1996 and the venue of arbitration shall be at Kolkata only. The decision of the Arbitrator shall be final and binding on both the parties.

**15. JURISDICTION:**

The courts at Kolkata alone will have the jurisdiction to try any matter, dispute or reference between parties arising out of this tender / contract. It is specifically agreed that no court outside and other than Kolkata Court shall have jurisdiction in the matter.

**16. CLARIFICATION:**

The prospective tenderer(s) requiring any clarification regarding the tender document are requested to contact System Manager (IT), WBHIDCO LTD. The Purchase Section will respond in writing to any request for clarification, which is received not later than the 7 days for last date of submission of Tender.

At any time prior to the deadline for submission of bids, WBHIDCO may, for any reason, whether at its own initiative or in response to a clarification requested by a prospective tenderer(s), modify the tender document by amendment.

The amendment will be sent to the prospective tenderer(s). In order to afford prospective tenderer(s) reasonable time in which to take the amendment into account in preparing their bid, WBHIDCO may, at its discretion extend the deadline for the submission of Tender.

**17. Pre- Bid Meeting**

Pre- bid will be made on **05.07.2021 at 14:30 hrs.** at WBHIDCO BHABAN, 3<sup>rd</sup> Floor, mini-Conference room. All queries need to be sent by 04.07.2021, 17:00 hrs to [subhankar.dutta@wbhidco.in](mailto:subhankar.dutta@wbhidco.in)

**18. Safety Measures**

The Contractor only shall in the course of execution of the work take all necessary precaution for the protection of all persons and property. The Contractor shall take adequate measures to protect the work and prevent accident during the work. In the event of any accident to any person or persons or damage or injury of any description to any person or property due to failure on the part of the contractor in taking proper precautionary measures the contractor shall be responsible for and must make good the loss the damage at his own cost to the satisfaction of the department and employees of the department shall be indemnified from all claims or liabilities arising there from or any expenses incurred on account thereof.

**19. Equipment**

All tools & tackles necessary for the work shall have to be procured by the contractor unless otherwise specified elsewhere in these tender documents. The equipment used by the contractor for a particular work must be appropriate for the type of work. The contractor shall maintain the equipment used on the work properly so that they are in good working condition. In no case shall the contractor use defective or imperfect equipment in the work. The contractor shall arrange to replace or repair all defective equipment so that the progress of the work is not hampered. No defective equipment

should be left at the site of work and the department shall not be responsible for any loss or damage to any of this equipment during the course of the execution of the work.

#### **20. Sub-Contract**

The purchaser (WBHIDCO LIMITED) does not recognize the existence of Sub-Contractors. The Contractor's responsibilities are not transferable. All responsibility goes to the main bidder.

#### **21. Termination for Default**

WBHIDCO LIMITED may without prejudice to any other remedy or right of claim for breach of contract by giving not less than 30 days written notice of default sent to the contractor, terminate the order in whole or in part. If the contractor materially fails to render any or all the services within the time period specified in the contract or any extension thereof granted by WBHIDCO LIMITED in writing and fails to remedy its failure within a period of thirty days after receipt of default notice from WBHIDCO LIMITED. If the project (delivery, installation as well as warranty maintenance support) is not carried out according to specification due to deficiency in service as per terms of the contract. In such case WBHIDCO LIMITED will invoke the amount held back from the contractor as PBG.

#### **22. Bankruptcy**

If the contractor becomes bankrupt or have a receiving order made against him or compound with his creditors or being a corporation commence to be wound up, not being a voluntary winding up for the purpose only or amalgamation or reconstruction, or carry on their business under a receiver for the benefit of their creditors or any of them, WBHIDCO LIMITED shall be at liberty to terminate the engagement forthwith without any notice in writing to the contractor or to the liquidator or receiver or to any person in whom the contractor may become vested and without any compensation to give such liquidator or receiver or other person the option of carrying out the engagement subject to their providing a guarantee for the due and faithful performance of the engagement up to an amount to be determined by WBHIDCO LIMITED.

#### **23. Force Majeure**

- The Service Provider shall not be liable for forfeiture of its earnest money, security deposit, liquidated damages, or termination for default, if and to the extent that it's delays in performance or other failure to perform its obligations under the contract is the result of an event of Force Majeure.

- For purposes of this Clause, "Force Majeure" means an event or situation beyond the control of the Service Provider that is not foreseeable, is unavoidable, and its origin is not due to negligence or lack of care on the part of the Supplier. Such events may include, but not be limited to, acts of the Purchaser in its sovereign capacity, wars or revolutions, fires, floods, epidemics, quarantine restrictions, and freight embargoes.

It is hereby defined as any cause, which is beyond the control of the Contractor or WBHIDCO LIMITED as the case may be, which such party could not foresee or with a reasonable amount of diligence could not have foreseen and which substantially affect the performance of the contract, such as

- War, Hostilities or warlike operations (whether a state of war be declared or not), invasion, act of foreign enemy and civil war
- Rebellion, revolution, insurrection, mutiny, usurpation of civil or military, government, conspiracy, riot, civil commotion and terrorist area
- Confiscation, nationalization, mobilization, commandeering or requisition by or under the order of any government or de facto authority or ruler, or any other act or failure to act of any local state or national government authority
- Strike, sabotage, lockout, embargo, import restriction, port congestion, lack of usual means of public transportation and communication, industrial dispute, shipwreck, shortage of power supply epidemics, quarantine and plague
- Earthquake, landslide, volcanic activity, fire flood or inundation, tidal wave, typhoon or cyclone, hurricane, nuclear and pressure waves or other natural or physical disaster

If either party is prevented, hindered or delayed from or in performing any of its obligations under the Contract by an event of Force Majeure, then it shall notify the other in writing of the occurrence of such event and the circumstances of the event of Force Majeure within fourteen days after the occurrence of such event. The party who has given such notice shall be excused from the performance or punctual performance of its obligations under the Contract for so long as the relevant event of Force Majeure continues and to the extent that such party's performance is prevented, hindered or delayed.

The party or parties affected by the event of Force Majeure shall use reasonable efforts to mitigate the effect of the event of Force Majeure up to its or their performance of the Contract and to fulfil its or their obligation under the Contract but without prejudice to either party's right to terminate the Contract.

No delay or non-performance by either party to this Contract caused by the occurrence of any event of Force Majeure shall

- Constitute a default or breach of the contract.
- Give rise to any claim for damages or additional cost or expense occurred by the delay or non-performance

If, and to the extent, that such delay or non-performance is caused by the occurrence of an event of Force Majeure.

#### **24. Insurance Coverage**

Appropriate insurance to cover all solution components for the transit period and until the time of its acceptance at the respective site is to be taken by the contractor. As the contractor will carry the risk for the material in his books during transit, the contractor should arrange insurance for the total system as period from the dispatch till Acceptance Test is successfully achieved. Further the contractor is to take all required insurance coverage in respect of all its personnel who shall be working on this engagement.
